PREFACE

I am pleased to present the Financial Statements of the Government of Khyber Pakhtunkhwa for the year ended 30 June, 2017 together with the Auditors' Reports thereon.

The Financial Statements of the Government of Khyber Pakhtunkhwa for the financial year 2016-17 have been prepared by the Accountant General Khyber Pakhtunkhwa under Section 5 of the Controller General of Accounts (Appointment, Functions and Powers) Ordinance, 2001 and are the responsibility of the Controller General of Accounts (CGA).

In response to the changing nature of stakeholders' requirements for making informed decision making based on financial information and developments in the public sector accounting standards, the role of CGA has transformed. Stakeholders now expect high quality, reliable and relevant financial reports and the focus of CGA is not limited to reporting historical results, but is now constantly moving towards enhancing public value, by providing the legislature and the executive through the Financial Statements an insight of the Government's financial performance.

In December 2000, Auditor General of Pakistan prescribed New Accounting Model (NAM) with the approval of the President of Pakistan under Article 170 of the Constitution of Islamic Republic of Pakistan. NAM, which conforms to international best practices, comprises of seven volumes and is based on Modified Cash Basis of Accounting in which, though cash basis of accounting is followed, the following additional concepts were introduced:

- **★** Commitment Accounting
- **★** Physical and Financial Assets Accounting
- * Liabilities Accounting

Commitment Accounting practices have been adopted since Financial Year 2009-10 but assets and liability accounting is not yet implemented and these Financial Statements have been prepared on cash basis of accounting which do not include accrued receipts and liabilities.

The current year's Financial Statements have been prepared under NAM and the format of International Public Sector Accounting Standards (IPSAS) Cash Basis – Financial Reporting under the Cash Basis of Accounting has been adopted for the preparation of these Financial Statements.

These Financial Statements focus on reporting the budgetary activity of the Government for the financial year as laid down in the financial procedures of the Constitution which describes the Government as Provincial Consolidated Fund and Public Account for which Annual Budget Statement is authorized by Provincial Assembly in the form of Budgetary Grants.

Finally, it is important to emphasize the value of sustained and dedicated efforts towards excellence in public sector financial accounting and reporting. Moving forward, management

and staff of CGA are working closely to address the challenges and issues which can limit the quality, transparency and reliability of financial reports. Through excellent financial reporting we					
are committed to support the decision making critical to the nation's fiscal future.

The surcharge on natural gas is transferred to the Provinces according to the production of gas in a province.
- 12.2 Royalty on crude oil and natural gas is received under Pakistan Petroleum Production Rules, 1949 at the rate of 12.5% on the well head value of production. Federal Government collects royalty on crude oil and natural gas which is transferred to the Provinces on well head production basis after deduction of 2% collection charges.
